

# Merry Christmas

Dear OL Friends & Partners,

As 2025 draws to a close, we find ourselves reflecting on the partnerships that have shaped our year.

We are sincerely grateful for your continued support and the trust you have placed in Orphans Light Inc. Our achievements wouldn't be the same without partners like you!

May this season bring you the same joy and fulfilment you have so generously given to the people of Uganda. May the spirit of the season fill your home with warmth and cherished memories.

We wish you a holiday filled with love, joy, peace and a bright, successful 2026.

## Thank you

We're very thankful to all who have already sent your sponsored child and family a special gift. What a response to our call! Thank you tot for those who sent gifts to unsponsored families. Do not worry if you are unable to send an extra gift, your sponsorship is already a special gift to the family.

## Christmas Gift for Joshua

Joshua lives with his uncle. He has been part of our sponsorship program and recently completed High School.

His dream is to become an accountant. Unfortunately, his sponsors are unable to support him at university. It costs \$3,000 per year at the university for 4 years. You can co-sponsor Joshua with another person!

He was head of the boys dormitory, giving leadership to over 300 of his peers in a way that everyone loved him. He is ready to serve his community but needs to be empowered.

Please consider giving Joshua and his family a Christmas gift of a university degree.

## Children Celebrating with their Christmas Gifts

These are just a few gift photos. Every sponsor that was able to send a Christmas gift will receive a letter and pictures from their sponsored child by email. It is always amazing seeing what every child and family decide to buy.
